

**Cheikh Ibra Fall by Cheikh Maa El Aynain, Son of Mohamed El Fadel Ibn Maamin**

Sheikh Maa El Aynain, son of Mohamed El Fadel Ibn Maamin a great religious leader of Mauritania had written wonderful poems about the exceptional qualities of Shaykh Ahmadou Bamba.

However, for long, he was intrigued by the case of Sheikh Ibrahima Fall and the gossip thereon. He then entered into "Khalwa (Spiritual Retreat) to ask Allah to clarify.

At the end of his retirement, he wrote a poem which we publish extensive excerpts.

"Sheikh Ibrahima Fall, thou hast been exalted above the people!

Sheikh Ibrahima Fall, you surpassed the spectrum of the Law and the Path

Sheikh Ibrahima Fall, you outperformed your peers since Eternity

Your state of achievement cannot be understood by mere mortals

Your superiority is indisputable ...

The path of Sheikh Ibrahima Fall within Mouridism is one of the best

Whoever takes it will be protected against hell and the punishments

He will pass like lightning on the day of Crossing the Bridge..

My words come from the source of knowledge

Oh unconscious who suspect the path of our brother Sheikh Ibra Fall

He must repent before the Merciful Lord

For the one who perseveres within the ignorance

Will be led by the angels of hell

May Allah preserve us from such a fate."
